IMPORTANTE: Con l'invio di quest'ordine confermo di essere consapevole e di avere compreso che una volta installato il dispositivo di sblocco di velocità SpeedUp la bicicletta elettrica, superando il limite dei 25 kmH, viene equiparata ad un ciclomotore ed in quanto tale, qualora circoli in luoghi pubblici, necessita dell'omologazione-immatricolazione da parte della Motorizzazione Civile, è soggetta al pagamento del bollo di circolazione e della copertura assicurativa, deve avere la targa, non può circolare sulle piste ciclabili e il conducente ha l'obbligo della guida con patentino e deve usare il casco. Inoltre la guida di una bicicletta a motore equiparata ad un ciclomotore che non osservi le predette disposizioni comporta il sequestro amministrativo del veicolo e sanzioni pecuniarie che variano a seconda dell'infrazione commessa. Il produttore del sistema di sblocco di velocità declina ogni responsabilità relativa ad eventuali danni provocati alle biciclette a pedalata assistita sulle quali viene montato il dispositivo nonché a danni diretti o indiretti a persone o cose. Si ricorda che la modifica alla bicicletta invalida la garanzia della casa produttrice.

IMPORTANT: By sending this order I confirm to be aware and that I understand that once installed the speed release device SpeedUp on the electric bicycle, exceeding the limit of 25 kmH, is treated as a moped and as such, if circles in public places, it needs approval-registration by the DMV, is subject to the payment of road tax and insurance coverage, must have the license plate, can't run on cycle tracks and the driver has the duty of driving with license and must wear helmets. Also driving a motor bike treated as a moped which does not observe these provisions will cause an administrative seizure of the vehicle and fines that vary depending on the offense. The manufacturer of the speed release system disclaims any responsibility for any damage caused to the pedal-assisted bicycle on which is mounted the device as well as a direct or indirect damages to persons or property. Please note that the modify of the bike will void the warranty of the manufacturer. It will be the responsibility of each buyer find out if the device complies with the legislation of the State of origin.
